Attached relates to the four checks totaling \$39,000 which subject Bernard L. Barker deposited in his bank in Miami in April, 1972, from which on about 5/8/72, he obtained that sum in cash mostly in \$100 bills. These checks were drawn on Banco Internacional, Mexico City, payable to Manuel Garcia.

Information concerning these checks was brought to the attention of the court by Assistant U. S. Attorney Silbert, Washington, D. C., on 6/23/72, on occasion of hearing concerning reduction of bail for the subjects. The presiding judge refused to reduce bond for Barker because of his having received \$39,000 in connection with the foregoing checks.

The following is furnished with regard to the trips made by subjects (exclusive of McCord) to Washington, D. C., on 5/3-4/72 and 5/22-30/72, as reported by Felipe de Diego who accompanied subjects on both trips. *u*

According to Diego, the trip to Washington, D. C., on 5/3-4/72, was organized and paid for by subject Bernard L. Barker and was for the sole purpose of paying homage to J. Edgar Hoover while he lay in state in the Capitol Rotunda. Diego identified the ten individuals who made this trip including subjects Barker, Martinez, Fiorini (Sturgis) and Gonzales. Diego and four other individuals on this trip were interviewed and furnished substantially the same story concerning the visit to the Capitol Rotunda and a subsequent clash with a group of demonstrators near the Capitol. One individual who was present on this trip, Reinaldo Pico, has not been interviewed since he is reportedly in South America on business. Upon his return, however, he will be interviewed concerning this trip, as well as the 5/22-30/72, trip he made with subjects to Washington, D. C. *u*

Diego has also admitted accompanying subjects Barker, Martinez, Gonzales and Fiorini, along with Reinaldo Pico, to Washington, D. C., 5/22-30/72, at which time they all stayed at the Hamilton Hotel from 5/22-26/72 and the Watergate Hotel from 5/26-30/72. All expenses for this latter trip were also paid by Barker and he, Barker, never told Diego the purpose of the trip. According to Diego he spent the entire time awaiting instructions which never came. Diego admitted, however, the group was not together constantly and he cannot speak for the actions of the others during this period. Diego *u*

Although insufficient comparable writing for a satisfactory examination would not permit a definite opinion being reached, characteristics, noted as a result of such examination as could be made, indicate that the "Hamilton" signatures on specimens Q59, Q60 and Q61 were probably prepared by EVERETT HOWARD HUNT, JR., the writer of specimen Kcl4.

Specimens received from Los Angeles 7/10/72

- Q53 Passenger's letter of appraisal for American Airlines flight number 32 on 9/4/71, signed "G. Larimer"
- Q59 Passenger's letter of appraisal for American Airlines flight number 32 on 9/4/- signed "Ed J. Hamilton"
- Q60 Book entitled "The Latter-day Saints: The Mormons Yesterday and Today," the flyleaf of which contains a typewritten note on Robert R. Mullen & Co. letterhead paper beginning "Dear Margaret: I've been trying to reach you..." signed "Ed Hamilton"

Result of examination:

It was determined that the "Hamilton" signatures on specimens Q60 and Q61 were prepared by the writer of the "Hamilton" signatures on specimens Q51 through Q55. Characteristics indicate that the "Hamilton" signature on specimen Q59 may also have been prepared by this same individual.

Insufficient comparable writing for a satisfactory examination precluded a determination of whether or not the "Hamilton" signatures on specimens Q59, Q60 and Q61 were prepared by EVERETT HOWARD HUNT, JR., the writer of specimen Kc14.

The typewritten note on specimen Q60 was determined to have been prepared on the typewriter employed in the preparation of the typewriting on specimens Q45 through Q48.

Sandy Smith, reporter for TIME magazine contacted me today. He merely wanted to advise me a rumor was being circulated from CIA sources that the \$89,000 deposit in the Mexico City bank was delivered to Mexico by an ex-FBI Agent. Smith was positive that this story came from CIA but said he can furnish no further details. U

We have received no previous information in this regard. I have asked SAC Kunkel of WFO if he could check to see if there is any foreign travel on the part of George Liddy. He will let me know. U

WALTER WALSH, residing at 126 Bedford Street, Hamden, Connecticut, and employed as a pharmacist at St. Vincent's Hospital, was contacted at St. Vincent's Hospital, Bridgeport, Connecticut.

He stated he has been a social acquaintance of ALFRED BALDWIN for about the past six years. In response to inquiry he said he had received a telephone call from BALDWIN sometime during the past month or two. He said he could not recall the date of the call, could not recall when he last heard from BALDWIN, and had no idea of BALDWIN's present whereabouts.

He acknowledged that he was aware that BALDWIN recently was in Washington, D. C., but disclaimed any knowledge of BALDWIN's employment. He said that he felt any inquiries concerning BALDWIN should be directed to BALDWIN himself. He advised that he felt he would hear from BALDWIN in the near future, at which time he would tell BALDWIN to contact the New Haven Office of the FBI.

## FEDERAL BUREAU OF INVESTIGATION

Date June 23, 1972

DANIEL A. BRENNAN, Jr., attorney with the firm of Brennan, Daly and McManus, 76 Lyon Terrace, Bridgeport, furnished the following information:

He met ALFRED BALDWIN through their association with the Connecticut Chapter of Former FBI Agents. During a conversation with BALDWIN at one of the recent meetings, BALDWIN informed him that he was a Republican and a nephew of the former governor, RAYMOND BALDWIN. Subsequently in May of this year BRENNAN said that he was the recipient of a telephone call from BALDWIN informing him that he, BALDWIN, was currently unemployed and solicited his assistance in obtaining a job with the State of Connecticut. BRENNAN said he felt that with BALDWIN's background he would be able to assist him and put him in touch with BRIAN GAFFNEY who is the head of the Republican Party in Connecticut. He said he had no further contact with BALDWIN until June 6, 1972, when he received a long distance telephone call from him. BALDWIN told him that he was not in Connecticut at the time and would not say where he was. BALDWIN said he felt he was over-qualified for any position the State of Connecticut might have to offer him and further he felt he would not be able to obtain a position with the State of Connecticut because his uncle, RAYMOND BALDWIN, was not in good standing with Governor THOMAS MESKILL. BALDWIN told him that he had taken a job with an independent organization that was setting up the security for the Republican National Convention in Miami, Florida, and was currently working at that job. BRENNAN said he told BALDWIN to get in touch with him when he returned to Connecticut to which BALDWIN replied he could not be coming back to Connecticut until around August of this year.

Mr. BRENNAN checked his records and noted BALDWIN had called his office on two other occasions on the sixth of June, the first one being at 9:30 A.M. and the other at 2 P.M. These records reflect that both calls came from Washington, D.C.

Continuing, BRENNAN said he had no further contact with BALDWIN until Monday, June 19, 1972, when BALDWIN called his office and left a message and a phone number at which he

could be reached. BRENNAN called him and ascertained that BALDWIN was back in Connecticut and was staying with his mother who resides somewhere in the New Haven area. During the conversation with BALDWIN, BRENNAN asked him if MC CORD was part of the organization with whom he was working to which BALDWIN replied he had nothing to do with that job. BRENNAN said nothing further was mentioned concerning the breaking into of the Democratic Headquarters in Washington, D.C. and said he had read of this episode in the Bridgeport paper the previous morning.

BALDWIN inquired as to possible employment with the State of Connecticut and BRENNAN said he told him he would get in touch with BRIAN GAFFNEY and set up an interview for BALDWIN. BRENNAN said he subsequently made arrangements for an interview for BALDWIN with GAFFNEY on Tuesday, June 27, 1972.

CASSIDENTO stated he had advised BALDWIN to make no statement to the FBI at that time, however, he did not want to preclude BALDWIN'S prerogative to make a statement in the future if such was deemed appropriate. He said in the event a Grand Jury is impaneled at Washington, D.C., in order to consider any matter pertaining to BALDWIN, the latter would be made available at any time desired in order to accept "service" in connection with the Grand Jury proceedings.

BALDWIN was asked whether the statement made by CASSIDENTO represented his feelings in the matter, and he stated he was in agreement with such statement.

The following physical description of BALDWIN was obtained through observation:

FRANK JAMESON, Vice President, Special Operations, Bell and Howell (B & H), Communications Company, 186 Third Avenue, Waltham, Massachusetts, made available the following Xerox copies of documents reflecting transactions between B & H, Waltham, and JAMES W. MC CORD, President, McCord Associates, 100 Hungerford Plaza, Suite 220, Rockville, Maryland:

# 1. Purchase Order from McCord Associates, Incorporated, #1326, dated April 24, 1972. JAMESON stated this Purchase Order reflected an order for four Kelcom III Transceivers with related accessories (that is, operating crystals, antenna, microphones, ear-phone, leather case, and shoulder harness). The equipment cost a total of \$3,883.20. JAMESON further stated the Purchase Order revealed the signature of JAMES W. MC CORD, JR. JAMESON also noted the Purchase Order had pencilled on it the frequencies of the said Transceivers as:

F1 Tx 156.260, Rx 161.9725  
F2 Tx and Rx 161.9175

JAMESON emphatically stated that the aforementioned equipment was not designed for "bugging" and the equipment is not capable of functioning in a "bugging" capacity.

# 2. Invoice addressed to McCord Associates, Inc. Invoice #13210 - Shipping date May 25, 1972. JAMESON indicated that the said invoice was an itemized list of equipment identical to the aforementioned equipment on the Item #1 Purchase Order dated April 24, 1972. JAMESON further indicated that his initials are present in the upper right-hand corner of this invoice next to the Factory Order Number and the Shipping Date.

# 3. REA Air Express Receipt #70-13-67, dated May 25, 1972. JAMESON related the REA Air Express showed the shipment of the aforementioned electrical

#4. Personalized check No. 145 from McCord Associates, Inc., dated June 12, 1972, signed ALFRED L. GREEN. Paid to the order of Bell and Howell, Waltham, Massachusetts. JAMESON stated the said check was payment for the electrical equipment set forth in Item #1. U

#5. Purchase Order from McCord Associates, Inc., #1389, dated May 25, 1972. JAMESON advised this Purchase Order reflected that it was a duplication in entirety of the order in the aforementioned Purchase Order (Item #1), dated April 24, 1972. JAMESON further advised this shipment had not been filled. U

JAMESON related that the aforementioned equipment orders were placed with one WILLIAM D. MC CUIN of SIC Company, 350 Strathmore Road, Haverstown, Pennsylvania. JAMESON indicated MC CUIN is not an employee of B & H, Waltham; however, MC CUIN does work on a commission basis and MC CUIN, up until March 13, 1972, was paid a monthly retainer, prior to suffering a heart attack. U

JAMESON stated according to information he received from MC CUIN, MC CORD's company had the security charter for the Republican National Committee. MC CORD, according to MC CUIN, requested that MC CUIN recommend unobtrusive equipment to assist in crowd-control at the Republican National Convention, and MC CUIN recommended the aforementioned equipment set forth in Item #1. MC CORD accepted this recommendation. JAMESON added, to his knowledge, no additional electrical equipment had been furnished to MC CORD by B & H, Waltham. U

JAMESON advised, prior to the shipment of equipment by B & H, Waltham, MC CORD's identity U

JAMESON advised he has no additional information concerning this matter and he will continue to cooperate with the Federal Bureau of Investigation (FBI). JAMESON further advised the original documents, from which Xerox copies were furnished by him, will be made available per FBI request. U

GENERAL INVESTIGATIVE DIVISION  
SUMMARY

Attached summarizes investigation conducted 6/28/72 of the burglary of the office of the Democratic Party National Headquarters.

1. Examination of personal telephone book of Martinez revealed telephone number of Kathleen Chenow, former secretary to Dave Young, White House, from Fall 1971, to April, 1972, now believed to be residing Birmingham, England (this number installed Executive Office Building (EOB) 8/26/71, disconnected 2/15/72).

2. Second telephone number in Martinez telephone book listed to George Gordon Liddy (former FBI Bureau supervisor and presently with Committee to Re-elect the President) who after being advised of nature and purpose of interview declined to discuss the matter with Bureau Agents. Liddy reported to have worked for several month period at EOB sharing office with Dave Young. His position is reportedly Staff Assistant, Domestic Council, terminated 12/10/71, reason unknown. Both Liddy and Young were under supervision of John Ehrlichman, Assistant to the President.

3. Assistant U.S. Attorney, Washington, D. C., advised only six individuals have appeared before Federal Grand Jury in this matter (names set out).

4. John Dean, Counsel to the President, turned over to Bureau Agents two large cartons of personal effects of Everette Howard Hunt, one item in particular was black attache case. Contents of this case contained numerous pieces of electronic equipment, including ancillary equipment from Bell and Howell transceivers previously recovered from subjects at time of arrest. Also in this attache case were two disguised electronic pieces which appeared to be concealed microphones. Majority of items recovered in Hunt's office are identical to items purchased by James Walter McCord in Philadelphia. All items turned over by White House were hand delivered to FBI\* for examination. Approximately 2,000 copies of papers apparently relating to Ellsberg case were in this material, classification ranged from Secret, Top Secret, to Eyes Only. Hunt initially assigned to White House to declassify Pentagon documents.

With respect to the photographs of documents developed  
by a Miami, Florida, photographer at the request of subjects Barker  
and Fiorini (Sturgis), the following is noted: *u*

On June 22, 1972, Michael Richardson, employed in his  
father's business, Rich Photos, 1600 W. Flagler Street, Miami,  
Florida, advised that about noon, Saturday, June 10, 1972, one white  
male whom he tentatively identified from a photograph as Bernard  
Barker, came to this store which is located in a heavily populated  
Cuban area. This individual presented two rolls of exposed Kodak  
tri-X black and white 35 millimeter film on which he said documents  
had been photographed. He requested immediate development and  
printing of 8 by 10 prints. Richardson did a rush job and determined  
there were four exposed document negatives on one roll and 34  
document negatives on the other roll for a total of 38 exposed  
negatives. Richardson made one 7 by 10 print of each of the 38  
negatives. *1*

*REC-102 ST-103 REC-6 304*

Richardson said most of the documents had an emblem and  
were headed "Chairman Democratic National Committee." The  
documents photographed appeared to have been on onion skin paper  
and most were typed. A few consisted of handwritten notes. On at  
least one of the documents, there was the signature "Dick." Several  
letters had the name Lawrence O'Brien. One or more of the *JUL 12 1972*  
documents concerned a resume of an unrecalled woman who headed a  
local campaign for Senator Hubert Humphrey. Richardson said all  
documents were photographed with a shag carpet background and hands *u*

covered with clear-type gloves held down each corner of each document. A total of four hands were in view on each document. The pictures were made with an electronic flash, photographed from an angle. U

Richardson said while he was working on this job, he was called three times in an effort to hurry him and when he had finished the job, the original customer, Barker and two other white males came to pick up the prints. The bill amounted to \$76.85, but in their haste they overpaid, forgetting a deposit given to him when he began the job. Richardson made no written record of the transaction since it was for cash. He maintained no copy of the negatives or prints. Richardson tentatively identified one of the two men who accompanied Barker as being Fiorini, but was unable to identify the third man. U

At 2:15 p.m. today, Mr. Tom O'Connell, General Counsel, Federal Reserve Board, called me. He said he had received a call from the Administrative Assistant to Senator Proxmire wanting information regarding the tracing of the \$100 bills through the Federal Reserve banks. *u*

I told him we had received a call already from Mr. Howard Shuman, Administrative Assistant to Senator Proxmire, regarding this same matter. Mr. Shuman was advised that the tracing of this money was part of our investigative effort and that we could furnish no further information. It was suggested to Shuman he might desire to make inquiry of Henry Petersen, Assistant Attorney General, Criminal Division. *u*

O'Connell wanted to know if there would be any objection to their telling the Senator's office that the FBI was making inquiry through the Federal Reserve in Philadelphia and Miami regarding these bills. I informed him that we as the investigative agency were conducting this investigation, that any matters regarding the evidence or any legal aspects would have to be checked with the United States Attorney in Washington or with Mr. Petersen. O'Connell said he had been at one time an Assistant U. S. Attorney and knew U. S. Attorney Titus. He said he agreed with our stand but that the Federal Reserve was getting "a lot of heat" from the Senator's office. *u*

He indicated he would probably talk with the U. S. Attorney first. *u*

## FEDERAL BUREAU OF INVESTIGATION

Date of transcription June 26, 1972

Dr. EDWARD C. BRANDOW, JR. was interviewed at his office, 662 Madison Avenue, Albany, New York. He advised that he has known ~~EVERETT~~ RICHARD HUNT since 1946 or 1947. He considers him a good friend and last saw him when Dr. BRANDOW visited him enroute to and returning from Florida during the latter part of March and first part of April, 1972. He visited HUNT at his home which is located on River Road, Potomac, Maryland. The duration of both visits was for several hours only. During these visits HUNT mentioned that he was in some way connected with the re-election of President NIXON and a consultant to the Whitehouse. Over the years HUNT said he has traveled extensively and Dr. BRANDOW knows him to be an author. He recalls that HUNT once sent him a postcard from Cuba; about three or four months afterwards the Bay of Pigs incident occurred. Although HUNT has never so stated, it is the opinion of Dr. BRANDOW that HUNT has worked for the Central Intelligence Agency (CIA). Because of this, Dr. BRANDOW never asked him any questions about his personal affairs. He considers HUNT to be an extremely intelligent and capable individual. To the best of his knowledge Dr. BRANDOW is the only individual from Albany who has visited HUNT in Washington recently. HUNT has not been to Albany for two or three years. U

The names of the subjects in this case are not familiar with Dr. BRANDOW nor did he have any information concerning captioned burglary. U

## EXAMINATION OF MONEY FOR FINGERPRINTS

On the afternoon of 6-26-72, an Agent of Washington Field Office personally delivered five envelopes containing money obtained from the subject's room and Room 214, Watergate Hotel, by the Metropolitan Police Department, Washington, D. C. The money consisted of \$5,058.00 in U. S. currency, one silver dollar and \$.58 in coins. Two envelopes and a piece of paper were also delivered with the money. This material had been previously processed by the Metropolitan Police Department by means of ninhydrin and silver nitrate methods and bore the typical brown silver nitrate stains. *u*

The submitted material was examined in the Latent Fingerprint Section, but no fingerprints of value for identification purposes were discernible. We, of course, could not reexamine the material for latent prints possibly developed by the prior ninhydrin treatment after the silver nitrate process was used. The discoloration caused by the silver nitrate could conceivably interfere with the legibility of such impressions. The material was returned personally to the Agent of Washington Field Office. *u*

## RECOMMENDATION:

REC-2 139-4681-310  
 JUL 3 1972

It is recommended that Washington Field Office ascertain if the Metropolitan Police Department developed any latent prints on this material through chemical processing and also if they have any other latent prints developed in this case. If approved, General Investigative Division to handle. *u*

GENERAL INVESTIGATIVE DIVISION

Washington Field office recommends immediate handling of the following interviews and feels any delay in these interviews will delay the Federal grand jury inquiry which is presently going on:

1. Interview of former Attorney General John Mitchell to resolve Alfred Carleton Baldwin's employment as body guard to Martha Mitchell and association with Committee to Reelect the President. Inquiries at this Committee have failed to satisfactorily resolve this question. Baldwin is individual who occupied lookout at Howard Johnson Motel.

2. Interview of David Young, White House staff, concerning the employment of Everette Howard Hunt and George Gordon Liddy. Hunt and Liddy have been identified as individuals attempting to recruit special security force to prevent political espionage against Republican Party. Hunt and Liddy were consultants at the White House for several months and reportedly were members of Young's staff.

Attached advises of two investigative requests received by WFO from Asst. U. S. Attorney Earl Silbert who is handling presentation of McCord case to Federal Grand Jury, Wash., DC. With respect to Alfred Carleton Baldwin, III, who is scheduled to appear before FGJ 2:00 pm 6/30/72, WFO is requested to obtain information from Committee to Reelect President regarding Baldwin's reported employment as body-guard for Martha Mitchell. WFO has been instructed to conduct this investigation at once.

Mr. Silbert further requested interview of David Young at White House for whom Everette Howard Hunt reportedly worked while Hunt was White House consultant.

Mr. Silbert contemplates subpoena for Hunt to appear before FGJ and would like results of interview of Young before issuing subpoena for Hunt. WFO requests Bureau authority to conduct this interview.

Investigation by our Miami office has developed the identity of the ten individuals who traveled on 5/3/72, from Miami to Washington, D. C., and returned to Miami on 5/4/72. These individuals are - Pablo Manuel Fernandez Mayan, Humberto F. Lopez, Angel Ferrer, Reinaldo Pico, Felipe De Diego, Hiram Gonzalez and subjects Virgilro Gonzalez, Bernard L. Barker, Frank Fiorini (Sturgis) and Eugenio Rolando Martinez. 4

Miami has interviewed Fernandez, Lopez, Ferrer, De Diego and Hiram Gonzalez. Each of these men confirmed that the sole purpose of the trip to Washington on 5/3/72, was to render respect for J. Edgar Hoover who was lying in state at the Capitol. All of those interviewed have advised they all used aliases during the trip for the purpose of not revealing their true identity in the event the plane was hijacked to Cuba. Reinaldo Pico has been determined to be on a business trip to South America and his date of return to Miami is not certain. 4

ACTION: For information.

THAT THEY (JAMESON AND MC CUIN) SHOW ONE OF THE TAC TWO KITS TO AL WONG, CHIEF OF THE TECHNICAL SECURITY DIVISION, U.S. SECRET SERVICE, WASHINGTON, D.C., SINCE THEY WERE GOING TO BE IN WASHINGTON ANYWAY. MC CUIN HAD PREVIOUSLY DISCUSSED A BRIEF CASE TYPE ALARM SYSTEM WITH WONG BUT HAD NOT BEEN ABLE TO SELL THE IDEA BECAUSE HE FELT WONG'S LABORATORY WAS ATTEMPTING TO DEVELOP A SIMILAR TYPE SYSTEM. U

MC CUIN CALLED WONG AND MADE AN APPOINTMENT TO SHOW THE TAC TWO KIT TO WONG. THE PURPOSE OF THE MEETING WAS TO SHOW THE KIT AND DEMONSTRATE IT FROM A SALEMAN'S STANDPOINT IN AN ATTEMPT TO SELL WONG ON THE KIT. U

MC CUIN DID NOT KNOW THE DATE OF THE MEETING AND COULD FIND NO BUSINESS RECORDS OR NOTES THAT RECORDED THE DATE. HOWEVER, HE FELT SURE THAT THE DATE OF THE MEETING WAS EITHER NOVEMBER EIGHTEEN, NINETEEN SEVENTYONE OR NOVEMBER THIRTY, NINETEEN SEVENTYONE, BECAUSE THOSE WERE THE DAYS, ACCORDING TO HIS DAYBOOK, THAT HE PICKED JAMESON UP AT THE AIRPORT IN WASHINGTON, D.C. A.M., BECAUSE JAMESON'S PLANE USUALLY ARRIVED AT ABOUT NINE FIFTEEN A.M., TO NINE THIRTY A.M. HE AND JAMESON WENT DIRECTLY TO THE WHITE HOUSE FROM THE AIRPORT. 4

THEY ARRIVED AT THE WHITE HOUSE, SIGNED IN, AND WENT TO A SMALL CUBBYHOLE-TYPE OFFICE IN THE SOUTH END OF THE BUILDING IN THE WING ON SEVENTEENTH STREET, NOT THE CORNER OFFICE BUT THE ONE NEXT TO IT, ON THE GROUND FLOOR. JAMESON AND MC CUIN, ACCOMPANIED BY TWO OR THREE OF WONG'S TECHNICAL ASSISTANTS, NAMES UNKNOWN, WERE IN THE ROOM FOR THE FIRST HALF HOUR WHILE THE COMPLEX TRI-LAYERED KIT WAS UNPACKED AND SET UP. AL WONG THEN ARRIVED WITH ONE OR TWO MEN, NAMES UNKNOWN, BUT ASSUMED TO BE SECRET SERVICE PERSONNEL. 4

JAMESON THEN BEGAN TO SHOW AND DISCUSS THE CONTENTS OF THE KIT. AT THAT TIME, MC CUIN AND ONE OF WONG'S TECHNICAL ASSOCIATES WERE STANDING OUTSIDE THE DOORLESS CUBBYHOLE ROOM LISTENING AND WATCHING THROUGH THE DOORWAY. INSIDE WERE WONG, JAMESON, AND TWO OTHER MEN THOUGHT TO BE WONG'S ASSISTANTS. 4

THE EXACT NUMBER OF PERSONS PRESENT AT THE MEETINGS VARIED BECAUSE TECHNICAL ASSISTANTS WOULD COME IN, STAND A FEW MINUTES, AND LEAVE AGAIN. SOME, ALL NAMES UNKNOWN TO MC CUIN, STOPPED IN ON MORE THAN ONE OCCASION. U

DURING THE MEETING, ONE INDIVIDUAL IN THE ROOM ASKED MANY POINTED QUESTIONS OF JAMESON. JAMESON TOLD MC CUIN SOME TIME AFTER THE MEETING THAT <sup>E</sup>HE HAD BECOME IRRITATED WITH THAT INDIVIDUAL'S QUESTIONS AND FELT THAT HE HAD BEEN CURT WITH HIM. HE REQUESTED THAT MC CUIN FIND OUT THE INDIVIDUAL'S NAME SO THAT JAMESON COULD WRITE A <sup>F</sup>LETTER OF APOLOGY IN WHICH HE WOULD EXPLAIN IN MORE DETAIL THE TAC TWO ALARM SYSTEM. MC CUIN DID NOT KNOW WHO THIS INDIVIDUAL WAS BUT RECALLED THAT HE TELEPHONED THE NUMBER WHERE HE USUALLY CALLS ONE OF THREE SECRET SERVICE AGENTS WHOM HE KNOWS. THOSE THREE SECRET SERVICE AGENTS WERE [REDACTED] b7c

[REDACTED] MC CUIN DID NOT KNOW IF HE SPOKE TO ONE OF THOSE THREE OR OR SOME ONE ELSE. MC CUIN DID NOT KNOW IF ANY OF THOSE THREE MEN WERE AT THE MEETING OR NOT. HE EXPLAINED THAT HE KNEW THE MEN'S NAMES THROUGH CALLING SECRET SERVICE AND TALKING TO PERSONNEL THERE AND THEN U

RECORDING THEIR NAMES. HOWEVER, HE COULD NOT PLACE  
THE NAMES OF THE AGENTS WITH THEIR FACES.

ONE OF THE AGENTS INFORMED MC CUIN THAT THE INDIVIDUAL  
ASKING THE QUESTIONS WAS JAMES MC CORD. MC CUIN ASKED IF HE  
WAS FROM EIGHTEEN HUNDRED G AND THE MAN SAID, QUOTE, NO, I'LL  
GET YOU HIS PHONE NUMBER, UNQUOTE, WHICH HE DID. THE NUMBER,  
NOT RECALLED BY MC CUIN, TURNED OUT TO BE THE NUMBER FOR MC CORD  
ASSOCIATES IN ROCKVILLE, MD. MC CUIN EVENTUALLY REACHED MC CORD  
AT THAT NUMBER AND UNTIL SOME TIME THEREAFTER WAS NOT AWARE THAT  
MC CORD WAS SECURITY DIRECTOR FOR THE RE-ELECT PRESIDENT NIXON  
COMMITTEE, WASHINGTON, D.C. U

MC CUIN SUPPLIED A LIST OF CONTENTS OF THE TAC TWO KIT  
WHICH WILL BE INCORPORATED IN A FORTHCOMING FD THREE ZERO TWO. U

**RICHARD G. NAHER** was interviewed at the residence of his father south of Marion in Marion County, Ohio.

NAHER advised that he has met **JAMES WALTER MC CORD, JR.** on one occasion and talked with him telephonically on one occasion. He stated the names **EDWARD MARTIN, BERNARD L. BARKER, FRANK CARTER, VIRGINIO R. GONZALES, RAOU L GODOY, EUGENIO ROLANDO, MARTINEZ Y. CREAGA, GENE VALDES, FRANK ANTHONY FIORINI, and FRANK A. STURGIS** are all unknown to him; however, he recognizes some of the names from reading about the burglary of the Democratic National Headquarters, Washington, D.C. in the local newspapers. U

NAHER advised he was an agent of the FBI assigned to the Norfolk, Virginia Division when he resigned from the FBI in January, 1972. U

He was planning to depart his residence at 856 Welmont Lane, Newport News, Virginia on the last weekend of April, 1972 to move to Marion, Ohio where he now resides. U

On either April 25 or April 26, 1972, NAHER received a telephone call from **JAMES WALTER MC CORD, JR.** who inquired if NAHER might be interested in a protective security job. NAHER indicated he might be interested and made an appointment for an interview with MC CORD for April 27, 1972 at Washington, D.C. This interview was to take place on the third floor of a bank building, name unknown, across the street from the White House. NAHER advised when he arrived at the place where the interview was to take place, this was the office for the committee to re-elect the President of the United States. U

NAHER met with MC CORD and MC CORD advised him the job he was being considered for was to be the personal body guard for **MARTHA MITCHELL**. MC CORD advised NAHER that he was one of five ex-FBI agents and CIA agents being considered for this job. NAHER was advised that the requirements for the job were that the individual should be in his late 30's or early 40's with an athletic background. MC CORD indicated to NAHER that a salary of \$18,000 a year for this job would be no problem. Upon conclusion of this U

interview, MC CORD advised NAHER that he would meet with an individual named LARUE the following day, Friday, April 28, 1972. U

During the interview, MC CORD indicated to NAHER that although this would be temporary employment until after the elections in November, 1972, that NAHER would have an opportunity to make contacts for future employment and also indicated that there might be a job opened for NAHER in MC CORD's investigative agency. U

No mention was made whatsoever by MC CORD in regard to any of his security investigations or activities other than the job offer to be MARTHA MITCHELL's personal body guard. U

NAHER advised that he returned to his home in Newport News on April 27, 1972 and after discussing the job offer with his wife decided not to accept it and telephoned MC CORD's office on the morning of April 28, 1972 and advised an unknown male that answered the phone that he would not be interested in this job. U

MC CORD advised NAHER that he obtained his name from the former FBI Agents Association in New York City. U

In accordance with Mr. Gray's instructions I spoke with Special Agent Donald Guthrie of the Birmingham Office at 7:00 p. m. on 7/5/72. He advised he has been a very close personal friend of McCord and his wife for a number of years and still considers McCord a friend of his. He has been thinking about this case and would certainly have no objection to making a contact with Mrs. McCord or McCord himself. If such was done he would point out to McCord that he was talking to him not only as a friend but as an FBI Agent and would make plain to him his rights in any such interview. Guthrie feels that McCord would be better off to discuss his involvement in this matter and Guthrie thinks McCord would talk with him about it. *u*

Guthrie also informed he would do anything the FBI and Mr. Gray wanted him to do in this case and he felt he would not only be helping a friend but would be assisting the FBI in a difficult investigation. *u*

I advised Mr. Gray of this at 7:30 p. m. on 7/5/72. *u*

-P-

## DETAILS:

On June 20, 1972, Mrs. CATHY CHIN, American Express Company (AMEXCO), 3003 North Central, Phoenix, Arizona, advised that she could effect contact with the appropriate individuals at the AMEXCO office, 2423 East Lincoln Drive, which houses quantities of credit card charge records. She advised that she is not certain at this point as to how long it would take to locate the records regarding the credit card of BERNARD L. BARKER, Number 0472523281800, noting that in certain instances there is some delay in the company copy of the charge being forwarded to Phoenix. She explained that it is possible that some of the information would already be on micro-film which will result in it having to be photographed in order to obtain legible copies. U

On June 22, 1972, Mrs. CHIN advised that they are experiencing some problem in regards to locating the records for Mr. BARKER, noting that a number of their U

employees are off from work due to flooding conditions throughout the Phoenix area and they are not able to function on a normal basis. U

On June 26 and June 28, 1972, Mrs. CHIN was recontacted. On both occasions she advised that the personnel at their Lincoln plant were still working on the BARKER situation but have not as yet completed the search. She stated that she is making every effort to expedite the obtaining of these records and she will contact the Phoenix Office just as soon as they are available. U

Title: JAMES WALTER MC CORD, JR. - ET AL;  
BURGLARY OF DEMOCRATIC PARTY  
NATIONAL HEADQUARTERS  
JUNE 17, 1972

Character: INTERCEPTION OF COMMUNICATIONS

Synopsis: MRS. MARJORIE SPONSLER, Cashier, Everett Bank, Everett, Pa., stated her bank received a \$10,000 shipment of \$100 bills 4/10/72 from the Girard Trust Co., Philadelphia, Pa., and the serial numbers of these bills were not recorded on receipt. She stated she had checked all of the \$100 bills in her bank and none were close to being in sequence to serial number C03642255 through 264. Tellers at her bank had not given a large amount of \$100 bills except routinely to businesses in the area for payrolls. The Everett Bank has no branches and is located in rural Bedford County, Pa. SAMUEL BOHN, Executive Vice President, Everett Bank, contacted and advised shipment of \$10,000 from Girard Bank, Philadelphia, verified but serial numbers not recorded. Canvass of tellers at the Everett Bank revealed that they did not give out any large numbers of \$100 bills to anyone since 4/10/72 and the \$100 bills given out were to local businessmen. According to bank officials, all checks for over \$1,000 must be cleared by MRS. SPONSLER, and she did not clear any checks for over \$1,000 where \$100 bills were given out. u

DETAILS: This investigation was instituted upon receipt of information from the Philadelphia Division of the FBI advising that the subject and others in this matter were apprehended by the Washington, D. C., Police Department in the Democratic Party Headquarters on June 17, 1972, and had in their possession and in their apartment a total of \$6,000 in \$100 bills, some of the bills in numerical sequence. A trace of these bills was requested in an effort to determine who paid the subjects to burglarize the Democratic offices. U

The Federal Reserve Bank in Philadelphia, Pa., determined that nine bills in the subjects' possession were part of a shipment to the Girard Bank of Philadelphia on April 3, 1972. The Girard Bank of Philadelphia, in turn, made various shipments of the bills to various locations during April 3-5, 1972. On April 5, 1972, a shipment of \$10,000 in \$100 bills was made to the Everett Bank, Everett (Bedford County), Pa. The nine bills being traced have serial numbers C03642255 through C03642264. U

The following investigation was conducted by  
SA WILLIAM T. HENDON, JR. U

On June 20, 1972, MRS. MARJORIE SPONSLER, Cashier, Everett Bank, Everett, Pa., advised that her bank received a \$10,000 shipment of \$100 bills on April 10, 1972, from the Girard Trust Company, Philadelphia, Pa. The serial numbers of these \$100 bills were not recorded on receipt. The \$100 bills were in two \$5,000 packs. She still has one of these packs intact. The other pack has been broken down and distributed to the tellers. U

MRS. SPONSLER is the only officer at the bank who approves checks for over \$1,000, and she has received no such checks since April 10, 1972. She has checked all of the \$100 bills in her bank and none of them is close to being in sequence to serial numbers C03642255 through 264. U

The tellers at her bank have not given out a large amount of \$100 bills except routinely to businesses in the area for payrolls. U

The Everett Bank has no branches and is located in rural Bedford County, Pa. U

On June 22, 1972, SAMUEL BOHN, Executive Vice President, Everett Bank, Everett, advised that his bank received a shipment of \$10,000 in \$100 bills from the Girard Bank, Philadelphia, on April 10, 1972. The shipment was verified by his employees, but the serial numbers of the bills received were not recorded.

The shipment consisted of two packs, containing \$5,000 each. His bank still has one of the packs which is unopened. The other pack has been distributed to tellers.

MRS. MARJORIE SPONSLER, Cashier, Everett Bank, advised she checked serial numbers of all the \$100 bills still in the bank and none is close to being in sequence to serial numbers C03642255 through 264.

The following individuals, who are tellers at the Everett Bank, were contacted and stated that they did not give out any large number of \$100 bills to anyone since April 10, 1972. The \$100 bills given out were to local businessmen. Those contacted were:

MISS REBECCA J. SMITH, Teller  
MR. CHARLES R. LEVAN, Loan Teller  
MRS. CONNIE CLARK, Teller  
MRS. VIVIAN RITCHEY, Head Teller  
MRS. LINDA ROBINSON, Teller

## FEDERAL BUREAU OF INVESTIGATION

Date of transcription 6/30/72

JUSTIN M. JAMES, JR., President, Bell and Howell (B & H) Communications Company, 186 Third Avenue, Waltham, Massachusetts, advised that FRANK JAMESON, Vice President, Special Operations, B & H, is presently out of town on a business trip and is expected to return on June 30, 1972.

JAMES advised he would attempt to answer questions concerning the captioned matter through his conversations with JAMESON.

JAMES said that JAMESON gave a technical demonstration regarding the R-F Alarm System (i.e. this is a security type of an alarm system comparable to the type used for security of the Federal Bureau of Investigation offices). JAMES indicated this alarm system may be modified to suit the needs of the individual using organization.

JAMES stated he believed that WILLIAM MC CUIN, 350 Strathmore Road, Havertown, Pennsylvania, made arrangements for the aforementioned demonstration with U. S. Secret Service officials unknown to JAMES.

JAMES advised that JAMESON did not specifically travel to Washington, D. C. for the said demonstration. JAMES said the demonstration apparently was on November 30, 1971, since this was the date reflected on JAMESON's secretary's schedule calendar. JAMES indicated that JAMESON related to him that the said demonstration lasted approximately one and one-half hours, and there were about fifteen to twenty people present during this period; however, this group of people varied because individuals would come in, stand a few minutes and leave again. JAMES advised he does not believe that JAMESON was

acquainted with any of the people present at the aforementioned demonstration, with the exception of MC CUIN, B & H representative, and ALBERT WONG, of the U. S. Secret Service.

JAMES said, according to JAMESON, ALBERT WONG was accompanied by several other individuals. JAMES related that JAMESON indicated to him that one of the individuals with WONG asked numerous questions about the alarm system, but JAMESON did not know this individual's identity. JAMES said, subsequent to the demonstration, JAMESON inquired about the identity of the individual asking questions because he was annoyed at the nature of the questions. JAMES said apparently JAMESON learned the identity of the individual might be JAMES W. MC CORD; however, JAMESON related to JAMES that he was not sure if this information was correct since his source of information was an unknown individual present at this demonstration.

JAMES stated that JAMESON subsequently attempted to contact the individual described to him as MC CORD, by addressing a letter to the United States Secret Service, 1800 G Street, Washington, D. C., assuming MC CORD was affiliated with the Secret Service since apparently he was present at the aforementioned demonstration. JAMES said he believed JAMESON was trying to pursue the sales of the R-F Alarm System and this is the reason he attempted to correspond with MC CORD, the individual identified to him as making the inquiries concerning the alarm system at the sales demonstration. JAMES, according to information he received from JAMESON, stated that no reply had been received to JAMESON's letter.

JAMES advised JAMESON related that he subsequently was told that MC CORD was not present at the said sales demonstration. JAMESON told JAMES that he was unable to determine if MC CORD was present at the sales demonstration.

4

BS 139-164

JAMES said he believes that MC CUIN would be able to resolve all questions on the aforementioned demonstration since he arranged same.

JAMES stated MC CUIN, apparently as a follow-up to the letter by JAMESON, in order to pursue the sales of the R-F Alarm System, learned of the address of MC CORD through associates in Washington, D. C.

JAMES advised that the aforementioned sales demonstration had absolutely nothing to do with equipment subsequently purchased by MC CORD Associates, Incorporated, 414 Hungerford Plaza, Suite 220, Rockville, Maryland.

JAMES further advised the only equipment purchased by Mc Cord Associates, Incorporated, was reflected in Purchase Order Number 1326, dated April 24, 1972, and a copy of this Purchase Order has been previously furnished to the Federal Bureau of Investigation, (FBI). JAMES reiterated that Purchase Order 1389, dated May 25, 1972 to McCord Associates, Incorporated, had not been filled by Bell and Howell.

JAMES, during the course of the interview, was telephonically contacted by JAMESON and JAMESON advised the following regarding this matter:

JAMESON stated he was not acquainted with anyone at the aforementioned sales demonstration of the R-F Alarm System. JAMESON said the only individuals known to him that were present were WILLIAM MC CUIN, B & H representative, and AL WONG, affiliated with the U. S. Secret Service.

JAMESON indicated that approximately fifteen people were present at this demonstration that lasted about one and one-half hours; how-

4

BS 139-164

ever, the majority of the people present would come in, stand a few minutes and leave again. JAMESON said he believed most of the people present during the sales demonstration were affiliated with the U. S. Secret Service or Federal Protection Service (FPS).

JAMESON stated that he believed electrical equipment furnished to MC CORD Associates, Incorporated, as reflected in Purchase Order Number 1326, dated April 24, 1972, was ordered through WILLIAM MC CUIN. JAMESON said also that Purchase Order Number 1389 dated May 25, 1972 was likewise ordered through MC CUIN; however, JAMESON added that Purchase Order 1389 was not filled by B & H.

JAMES, subsequent to the interview, made available a Xerox copy of the letter from FRANK J. JAMESON addressed to JAMES MC CORD, U. S. Secret Service, 1800 G Street, Washington, D. C., dated January 27, 1972. JAMES advised he will continue to be of assistance to the FBI.

On 6/22/72, CHARLES W. COLSON, Special Adviser to the President, was interviewed by Special Agents ANGELO J. LANO and DANIEL C. MAHAN in the presence of JOHN DEAN, Legal Counsel to the President. During this interview, Mr. COLSON brought out that Mr. E. HOWARD HUNT had occupied the office located in room 338 of the Executive Office Building and that office had not been used since HUNT's termination at the end of March, 1972, as he was hoping to use this office space for an addition to his administrative staff. Mr. DEAN stated that this was the first he was aware of this office. In response to an Agent's request to examine the office, DEAN advised the White House would provide the FBI with any contents belonging to HUNT. *REC-102 117 1-1-0000-342*

On 6/26/72, Special Agents MAHAN and MICHAEL J. KING traveled to the office of JOHN DEAN in order to pick up the contents of the office of E. HOWARD HUNT, described above. This was in response to a telephonic request from DEAN. Upon arrival, Mr. DEAN provided the Agents with a large cardboard box containing numerous office supplies, White House stationery and a metal box containing one *unloaded* Colt .25 Automatic Revolver. Mr. DEAN stated that another box existed with other materials taken from HUNT's office but that he did not know its whereabouts and that his assistant, Mr. FRED FIELDING, would provide that box at approximately 1:30 p.m. that afternoon. At approximately 4:00 p.m., after the foregoing Agents waited at the White House from 1:30 on, FIELDING made available another sealed cardboard box marked "Top Secret." Upon

139-4089

ENCLOSURE

receipt of this box, Mr. FIELDING was provided an itemized list of the contents of the first box, including the make, caliber and serial number of the aforementioned weapon. U

The Agents then returned to the Washington Field Office with both boxes containing the alleged effects of HUNT. Upon returning to the Washington Field Office, the second box was opened. In the second box was located a black attache case which, when opened, contained the ancillary electronic equipment and four manuals for operation of the Kel-Com Transceivers manufactured by Bell & Howell Company. In addition, this attache case contained two maps, the first a travel map of the Mobil Oil Company depicting the District of Columbia and surrounding states. The second map was an Avis Rent-A-Car map of Washington, D. C., and Baltimore, Maryland. U

On 6/29/72, Special Agents DANIEL C. MAHAN and ROBERT E. LILL went to the White House in response to Mr. DEAN's invitation to interview the individuals involved in the chain of evidence of the aforementioned two boxes. Mr. DEAN initially advised that the effects of Mr. HUNT were removed by GSA employees from room 338 of the Executive Office Building to room 522 of the Executive Office Building on the afternoon of 6/19/72. It is noted that these effects were allegedly contained in one cardboard box and a two-drawer file safe. It was later determined that Mr. HUNT's effects were to be examined that evening but a combination to the aforementioned safe could not be found. Consequently, two employees of the Safemasters Company of Washington, D. C., were contacted, responded to the White House and opened the safe. The contents were first examined by Secret Service Agent BAKER to determine if the safe contained any classified materials. Mr. BAKER observed an envelope marked "Eyes Only" and immediately shut the drawer. That evening the contents of the safe were removed into a second cardboard box by Mr. FIELDING and Mr. BRUCE KERHLI, Staff Secretary to the President, and moved to Mr. KERHLI's office by GSA employees that night. U

Mr. DEAN then stated the aforementioned boxes were brought to his office by GSA employees on the morning of U

6/20/72 and reviewed by him and Mr. FIELDING that afternoon. Mr. DEAN explained that the box containing the office supplies remained in his office until such time as they were turned over to the FBI on 6/26/72. He stated that the classified material was placed in one of his file cabinets where it remained until turned over to the FBI on the afternoon of 6/26/72. U

Mr. DEAN did not take the opportunity to explain the inconsistencies in the interviews conducted in his presence on 6/22 and 6/29/72. U

# Gun, bug, map of Democratic HQ found in desk of White House aide

By PATRICK COLLINS

Federal authorities have seized a fully loaded Spanish-made automatic pistol, diagrams of the Democratic National Committee headquarters and an electronic eavesdropping device from Howard E. Hunt's desk in the Old Executive Office Building next door to the White House, The Washington Daily News learned today.

Sources say the federal officers searched Mr. Hunt's desk, located in the office suite of Charles Colson, special counsel to President Nixon. The found floor plans of the Democratic offices in the Watergate building and what was described as a "partially dismantled bug" similar to the ones taken from five men breaking in the Democratic headquarters, June 17.

Mr. Hunt was first linked to the bugging plot when lawmen discovered his name and phone number in the address books of two of the burglary suspects. Police said that next to his name in one of the books was the notation "W. House," and in the other book Mr. Hunt's name was followed by the inscription "W.H."

After this discovery, the FBI quizzed Mr. Hunt but agents reported that he avoided most of their questions and "shed no light on the investigation."

That was the last communication police are known to have had with Mr. Hunt who broke contacts with his friends and employer here and "disappeared" after he became publically connected with the burglary suspects.

Mr. Hunt, 54, a writer for the public relations firm of Robert R. Mullen whose offices are diagonally across the street from the White House, had been working as a special consultant to the President on the de-classification of the Pentagon Papers and on narcotics law enforcement. He was last reported at the White House on March 29.

Tho he had a desk in Mr. Colson's office suite, White House sources said that Mr. Hunt often worked for other officials in the Executive building.

Mr. Colson, described as a behind-the-scenes man for the President, yesterday refused to answer any phone calls concerning the search of Mr. Hunt's desk or the bugging of the Democratic offices.

The two men met in 1966 at the Brown University Club where Mr. Colson served as president and Mr. Hunt as vice president. Mr. Colson, a White House spokesman said, recommended Mr. Hunt for the consulting job at the White House.

Mr. Hunt, a CIA agent from 1949 to 1970 was hired by the Mullen firm two years ago with endorsements from CIA director Richard Helms and conservative columnist William F. Buckley.

Five days after the burglary the Mullen Co. "suspended" Mr. Hunt. A spokesman said yesterday that Mr. Hunt had made one long distance call to the office since that time, but "he made it a point not to tell us where he was."

As a CIA agent Mr. Hunt was involved in

the planning for the ill-fated Bay of Pigs invasion where he worked closely with one of the burglary suspects, Bernard Barker, then assigned to coordinate exiled Cubans for the invasion.

Earlier this month, officials say, Mr. Hunt traveled to Miami where he met with Mr. Barker.

Long after the Bay of Pigs and his work with the CIA, sources said Mr. Hunt continued to support the anti-Castro Cubans exiled in Miami.

Mr. Hunt, author of 42 novels, is listed in Who's Who as a former writer for Life magazine and a contributor to political journals. He owns a \$200,000 estate in the prestigious Potomac area of Montgomery County.

Meanwhile the FBI and local police continue to assemble evidence for the grand jury investigation of the burglary in which the five men, all wearing surgical gloves, were cornered by police in the inner offices of the Democratic headquarters on the sixth floor of the Watergate Office Building at 2600 Virginia av nw.

Police say there is evidence that the men were in the offices to remove "dead bugs" emplaced earlier in the Democratic offices.

Besides Mr. Barker, police have charged: James McCord, an ex-FBI agent and CIA employee who was chief of security for the GOP and the Committee for the Re-Election of the President; Frank Fiorini, a soldier of fortune who fought for Castro and later defected to lead anti-Castro groups in Miami; Eugenio Martinez a wealthy Miami real estate broker, and Virgilio Gonzalez, a locksmith associated with anti-Castro groups.

GENERAL INVESTIGATIVE DIVISION  
Summary

Attached summarizes investigation of burglary of the Office of the Democratic National Headquarters conducted 6/30/72. U

(1) Felipe De Diego, Miami, Florida, said he and persons identified as subjects were recruited to make trip on 5/3/72, to Washington, D.C. (WDC), for purpose of engaging demonstrators as action against communism (names of four other participants set out). Diego states he did not engage in any conversation that linked individuals with burglary; denied knowing Barker was planning burglary. U

(2) Margaret Elaine Johnson (name located in personal directory of Everette Howard Hunt) identified photograph of Hunt as Ed J. Hamilton she met in flight from Los Angeles to New York City, September, 1971, (Hunt traveling with A. G. Larimer); subsequent to this trip received note and telephone number from Hunt requesting she call him. U

(3) Former Bureau Agent Peyton George advised James W. McCord in mid April, 1972, offered him job as body guard for John or Martha Mitchell. This offer declined by George as it did not meet his demands. U

(4) Interviews of following people will be conducted: David Young at White House, 7/3/72; former Attorney General John Mitchell, 7/5/72; and Kathleen Chenow, who had phone installed in her name in Young's office, will be interviewed upon her return from Birmingham, England, date not indicated. U

(5) As of 6/30/72, interviews of Kenneth Dahlberg, Minneapolis, and Manuel Ogarrio have not taken place. In addition, toll call records concerning Everette Howard Hunt's phone at White House and information regarding check of subjects' names and aliases as possibly entering White House grounds through protected entrances have not been received. U

Intensive investigation continuing. U
